### GLOBAL CURRENCY & PREPAID MASTERCARD ACCOUNT INTRODUCTION & APPLICATION SUPPORT

By the very nature of our business we maintain relationships with a range of European and International Foreign Exchange and Prepaid Mastercard Issuers.

It is important to note that, Aston & Williams is not a Financial Facility and we do not manage or hold client monies, we are an international strategy & advisory business.

A significant percentage of the clients we advise are international and as a result prefer to use a Multi-Currency Account on an international basis rather than use domestically issued cards.
